

BEVIS / CERTIFICATE

RelyOn

of Training in

Danish Helicopter Landing Officer Course

This is to certify, that:

Rimvydas Platakis

D.O.B.:
07.11.1976

in the period:

27.11.2025 - 28.11.2025

has satisfactory completed above mentioned training.

Valid until : Unlimited

According to the Danish Energy Management Guidelines, in compliance with the Mutual Acceptance of Basic Safety and Emergency Preparedness Training Matrix agreed and recognized by Offshore Norway, Danish Offshore, NOGEPA and Oil and Gas UK

According to Danish regulation, the Helicopter Landing Officer (HLO) certification is enduring. From a competency perspective, we recommend refreshing the course every 2 years to maintain skills at a respected level and to align with the certificate validity requirements of the UK, Netherlands (NL), and Norway (NO).
